Educational Programs for Gifted & Talented Students

K- 12 grade students are eligible for nomination, and once nominated, an overview of the assessment process is offered to parents.

Program options enable gifted/talented students to work together as a group, and work independently during the school day as well as the entire school year. Students at all grade levels are involved in experiences that result in the development of sophisticated products and /or performances. Opportunities are provided for students to pursue areas of interest in selected disciplines through guided and independent research.

01 Teachers who provide instruction and services that are a part of the program for gifted students have a minimum of thirty (30) hours of GT training and; Teachers who provide instruction and services to gifted and talented students receive a minimum of six (6) hours annually of professional development in gifted education. Parents are informed of all gifted/talented services and opportunities. The campus provides orientation and updates for parents of students identified and served in gifted programs through parent meetings.
